### MCLE: Finding Work-Life Balance

#### Program Description

Dr. Maples will speak on best practices for work life balance, time management, and mental health overall in order to do our best while practicing law.

#### Speaker

Dr. Thomas Maples is a licensed psychotherapist, researcher, and writer. He provides analytically based Counseling, Psychotherapy, & Psychology Services for Children, Adolescents, Individuals, & Families. His Specialties: Family Therapy, Child and Adolescent Therapy, Relational Counseling, Premarital Counseling, PTSD, Depression, Anxiety, Behavioral Problems, ADHD, Personality Disorders, Post Separation Adjustment, Divorce Counseling, Childhood Psychotherapy, Adolescent Psychotherapy, Men's Problems, & Forensic Evaluations.

He specializes in Jungian, analytical, and integrative models of counseling, life coaching, and psychological testing services. Dr. Maples is certified by the San Joaquin County Superior Court as an expert witness in general and developmental psychology.
